Maple Grove, Minnesota, Code of Ordinances

Chapter 10 BUSINESSES AND LICENSING

ARTICLE XVI. - TOBACCO ^[32]

Sec. 10-571. - Purpose.

Because the city recognizes that many persons under the age of 18 purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco-related devices in violation of state law, and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government, this article is intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco-related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco-related devices, and to further the public policy of the state in regard to preventing young people from starting to smoke as stated in Minn. Stats. § 144.391.

Sec. 10-572. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Compliance check means the system used by the city to investigate and ensure that those authorized to sell tobacco, tobacco products, and tobacco-related devices are following and complying with the requirements of this article and state statutes. Compliance checks may involve the use of minors as authorized pursuant to this article.

Individually packaged means the practice of selling any tobacco or tobacco product wrapped individually for sale. Individually wrapped tobacco and tobacco products shall include, but not be limited to, single cigarette packs, single bags or cans of loose tobacco in any form, and single cans or other packaging of snuff or chewing tobacco. Cartons or other packaging containing more than a single pack or other container as described in this definition shall not be considered individually packaged.

Loosies is the plural form of any single or individually packaged cigarette.

Minor means any natural person who has not yet reached the age of 18 years.

Movable place of business means any form of business which does not operate from a lawfully constructed building with a permanent address, including, but not limited to, a truck, van, automobile, or other type of vehicle or transportable shelter without a fixed address.

Retail establishment means any licensed place of business where any tobacco, tobacco product, or tobacco-related device is available for sale to the general public. Retail establishments include, but are not limited to, grocery stores, convenience stores, and restaurants.

Sale means any transfer of any tobacco, tobacco product, or tobacco-related device as a free sample, or for money, trade, barter, or other consideration.

Self-service merchandising means any open display of any tobacco, tobacco product, or tobacco-related device in any way where any person has access to the product or tobacco-related device without the assistance or intervention of a licensee or an employee of the premises maintaining the display. The term does not include vending machines as allowed in this article.

Tobacco and *tobacco product* mean any substance or item containing tobacco leaf, including, but not limited to, any cigarette; cigar; pipe tobacco; snuff; fine-cut or other chewing tobacco; cheroots; stogies; perique; granulated, plug-cut, ready rubbed and other smoking tobacco; snuff flowers; cavendish; shorts; plug and twist tobacco; dipping tobacco; refuse scraps, clippings, cuttings, and sweepings of tobacco; and other kinds and forms of tobacco leaf prepared in such a manner as to be suitable for chewing, sniffing, or smoking.

Tobacco-related device means any tobacco product as well as a pipe, rolling paper, or other device which is used, or can be used, for the chewing, sniffing, or smoking of any tobacco or tobacco product.

Vending machine means any mechanical, electric, or electronic or other type of device which dispenses any tobacco, tobacco product, or tobacco-related device upon the insertion of money, tokens, or other form of payment directly into the machine.

(Ordinance 1524 § 1-2)

Cross reference— Definitions generally, § 1-2

Sec. 10-573. - Penalties.

A violation of this article shall be punishable as a misdemeanor. In addition to any fine or other penalty, whether administrative, civil, or criminal, a violation of this article shall be grounds for the suspension or revocation of any license issued under this article. The penalties set forth in Minn. Stats. § 461.12 shall be deemed the minimum administrative penalties to be imposed for violation of this article. No suspension, revocation or other penalty may take effect until the licensee has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing pursuant to the provisions of section 1-14. However, section 1-14 may be altered to the extent that the council may, in its discretion, designate an independent hearing officer to issue notice of hearing, request the attendance and testimony of witnesses and production of evidence relevant to the matter; take evidence; and transmit findings and a report of the evidence and hearing, together with recommendations, to the city council for action thereon.

(Ordinance 1524 § 1-3)

Sec. 10-574. - License required.

(a)

No person shall directly or indirectly keep for retail sale, sell at retail, or offer to sell or give away as free samples any tobacco, tobacco product, or tobacco-related device without first having obtained a license to do so from the city.

(b)

An application for a license shall be made to the city clerk on a form provided by the city and shall be accompanied by the annual license fee as set forth in section 16-81. The fee is not returnable and shall not be prorated except as may otherwise be provided in this article.

(c)

The application shall contain the full name of the applicant, the applicant's residential and business addresses and telephone numbers, the name and address of the business for which the license is sought, and any additional information the city deems necessary. If the city clerk shall determine that an application is incomplete, he shall return the application to the applicant with notice of the information necessary to make the application complete.

(d)

The completed application shall be delivered to the police department for investigation. The police department shall conduct an investigation of the applicant and application regarding the fitness of the applicant to hold a license pursuant to the standards set forth in this article, and report the results of its investigation to the city clerk within ten business days of receipt of the application.

(e)

Upon receipt of the results of the police department's investigation, the city clerk shall forward the application to the city council for action at its next regularly scheduled meeting. If the council shall approve the license, the clerk shall issue the license to the applicant, which shall be only for the location on the application. If the council denies the license, written notice of the denial shall be given to the applicant.

Sec. 10-575. - Ineligibility for license.

The following shall be grounds for denying the issuance or renewal of a license under this article, and such a license shall be immediately and automatically revoked upon the discovery that the person to whom the license was issued was ineligible for the license for one of the following reasons:

(1)

The applicant is under the age of 18 years.

(2)

The applicant has been convicted within the past five years of any violation of a federal, state, or local law, ordinance, or other regulation relating to tobacco, tobacco products, or tobacco-related devices.

(3)

The applicant has had a license to sell tobacco, tobacco products, or tobacco-related devices revoked within the preceding 12 months of the date of the application.

(4)

The applicant fails to provide any information required on the application or provides false or misleading information.

(5)

The applicant is prohibited by federal, state, or local law, ordinance, or other regulation from holding such a license.

(6)

Any other cause which the council in its judgment finds should disqualify the applicant from receiving a license, including, but not limited to, violations of any law regarding liquor sales.

Sec. 10-576. - License conditions.

(a)

Term. All licenses issued under this article shall expire December 31.

(b)

Suspension or revocation. Any licenses issued under this article may be revoked or suspended as provided in section 10-573.

(c)

Transfer. All licenses issued under this article shall be valid only on the premises for which the license was issued and only for the person to whom the license was issued. No transfer of any license to another location or person shall be valid without the prior approval of the city council.

(d)

Movable places of business. No license shall be issued for a movable place of business. Only fixed location businesses shall be eligible to be licensed under this article.

(e)

Posting. All licenses shall be posted and displayed in plain view of the general public on the licensed premises and shall be exhibited to any person upon request.

(f)

Renewal. The renewal of a license issued under this article shall be treated in the same manner as the original application for the license. An application for renewal, accompanied by a license fee required pursuant to section 16-81, shall be filed with the city clerk during the month of November. A license issued pursuant to this article shall be considered a privilege, and not a right, and shall not entitle the holder to an automatic renewal of the license.

Sec. 10-577. - Prohibited sales.

It shall be a violation of this article for any person to sell or offer to sell, with or without a license required by this article, directly or indirectly, any tobacco, tobacco product, or tobacco-related device as follows:

(1)

It shall be unlawful to sell or offer to sell such items to any person under the age of 18 years.

(2)

It shall be unlawful to sell or offer to sell such items by means of any type of vending machine, except as allowed in section 10-578

(3)

Except for tobacco shops, all tobacco, tobacco products, and tobacco-related devices shall be stored behind the counter or in some other area not freely accessible to customers, and no sales shall be made by means of self-service merchandising. For the purpose of this section, the term "tobacco shop" shall mean a retail establishment devoted exclusively to the sale of tobacco, tobacco products and tobacco-related devices. No person under the age of 18 shall be permitted in a tobacco shop unless accompanied by a parent or guardian.

(4)

It shall be unlawful to sell or offer to sell such items by means of loosies.

(5)

It shall be unlawful to sell or offer to sell items containing opium, morphine, jimsonweed, belladonna, strychnia, cocaine, marijuana, or other type of deleterious, hallucinogenic, or toxic or controlled substance, except nicotine, and not naturally found in tobacco or tobacco products.

(6)

It shall be unlawful to sell or offer to sell such items by any other means, or to any other person, prohibited by federal, state, or other local law, ordinance provision, or other regulation. If there is a conflict between regulations, the more restrictive shall apply.

Sec. 10-578. - Vending machines.

No person shall sell tobacco products from vending machines. This section does not apply to vending machines in facilities that cannot be entered at any time by persons younger than 18 years of age.

Sec. 10-579. - Responsibility of licensee for acts of employees.

All licensees under this article shall be responsible for the actions of their employees with regard to the sale of tobacco, tobacco products, or tobacco-related devices on the licensed premises, and the sale of such an item by an employee shall be considered a sale by the license holder for the purposes of license revocation or non-issuance.

Sec. 10-580. - Compliance checks and inspections.

(a)

All premises licensed under this article shall be open to inspection by the city and its police department during regular business hours. From time to time the city shall conduct compliance checks by engaging minors, between 15 and 18 years of age, to enter the licensed premises to attempt to purchase tobacco, tobacco products, or tobacco-related devices.

(b)

Minors used for the purposes of compliance checks shall not be guilty of unlawful possession of tobacco, tobacco products, or tobacco-related devices when such items are obtained as a part of the compliance check.

(c)

No minor used in compliance checks shall attempt to use a false identification misrepresenting the minor's age, and all minors lawfully engaged in a compliance check shall answer all questions about the minor's age asked by the licensee or his employee and shall produce any identification for which the minor is asked.

Sec. 10-581. - Purchase, possession or use of tobacco products by minors.

(a)

No person under the age of 18 years shall possess any tobacco, tobacco product, or tobacco-related device, or enter the premises of a tobacco shop unless accompanied by his parent or guardian. This subsection shall not apply when the person is in the household of his guardian, and shall not apply to minors lawfully involved in a compliance check on behalf of the city.

(b)

It shall be a violation of this article for any minor to smoke, chew, sniff, or otherwise use any tobacco, tobacco product, or tobacco-related device.

(c)

It shall be a violation of this article for any minor to purchase or attempt to purchase, or otherwise obtain, any tobacco, tobacco product, or tobacco-related device. It shall also be a violation of this article for any person to purchase or otherwise obtain such items on behalf of a minor, or for any person to coerce or attempt to coerce a minor to illegally purchase or otherwise obtain or use any tobacco, tobacco product, or tobacco-related device. This subsection shall not apply to minors lawfully involved in a compliance check on behalf of the city.

(d)

No minor shall attempt to disguise his true age by use of a false form of identification, whether the identification is that of another person or one on which the age of the person has been modified or tampered with to represent an age older than the actual age of the person.
